

ESCUELA VIVA
INFANT/TODDLER
ENROLLMENT QUESTIONNAIRE

The following information is critical to your child's participation at Escuela Viva. You are required to notify staff of any changes to this information so that we may keep accurate information regarding your child. This questionnaire must be completed and on file before your child may attend class.

Child's Full Name

Child's birth date

Child's Nick Name (if applicable)

Parent One Name

Parent Two Name

Please read and initial next to each item below.

___ My child may be given any non-prescription medication as indicated on the original container, including ONLY sunscreen, antibacterial ointment, and any other first aid ointments or creams necessary. Syrup of Ipecac may be administered if deemed necessary by the poison control operator. Prescription medications must have written authorization form for each medication for staff to administer.

___ My child may be taken on walking field trips under the direct supervision of Escuela Viva staff. I understand that due to the spontaneity of our days and of the children's project ideas parents may not be notified of these trips in advance. Parents must complete a separate permission slip for excursions via bus, train or other motor vehicle.

___ I understand that by paying my deposit and enrolling my child I am accepting the schedule agreed upon for the extent of the school year and that if I would like to request a schedule change mid-year, I must fill out a Schedule Change Request Form and submit it to the administrative office.

___ I understand irregular schedules are accommodated only when another family's schedule can meld with ours creating a full time schedule (M-F). I also understand that this schedule can only be offered as long as another family's schedule is able to complete my own child's to fulfill a full time schedule. If given an irregular schedule, there is no guarantee this schedule will be granted from year to year.

___ I understand that by enrolling my child at Escuela Viva I am committing to a full year of enrollment unless I give 2 months written notice of withdrawal. Regardless of when your child is enrolled, Escuela Viva requires a 2-month withdrawal notice. Failure to provide a 2-month notice will result in a bill for any tuition lost due to my early withdrawal.

___ I understand that each winter (January-February) families are given the opportunity to request their attendance schedule for the following academic year (beginning in September). To ensure your child's schedule for the next academic year your child must be continuously enrolled through the summer. Exceptions are made only if there are other students that can fill your child's summer vacancy.

___ I understand that my tuition is due by the 5th of each month and is subject to a \$5 per day late fee.

___ I understand that I must pick my child up by their scheduled pick up time. I also understand that I will be charged \$1 per minute that I am late to pick up my child from school past my child's scheduled pick up time (pick up times are listed on sign ins).

___ I understand that it is important for my child to have sufficient time to transition into the school day in the morning and late arrivals can be disruptive to community gatherings that happen at the beginning of the school day. Drop off is between 8-9 a.m. (7:30 for early arrival.) If my child is not at school before 9 a.m., I will need to notify the school via phone or email.

___ I understand that I am responsible for communicating any absences in attendance to the school.

___ I have read the Escuela Viva parent handbook found on the parent page of the website, understand its contents and agree to follow all rules and policies as outlined.

___ I understand that I will be responsible for providing all of the items from the "Items to Bring" list for my child, including emergency supplies in a 1 gallon plastic Ziploc bag.

___ I understand that my family's contact information will be made available to other Escuela Viva families in a class roster. I agree to respect the privacy of other families by not sharing this information with people outside Escuela Viva and by using this information solely for personal use.

*Please specify here if you would NOT like your information to be included in a class roster.

___ I understand that Escuela Viva will be sending out regular announcements and information through Kaymbu, an app used on iPads in each classroom. Messages, documentation (photos/video) and newsletters will be sent directly to my email. In order to stay in better touch with the school and have one central location to view important information regarding my child's school experience, I may download the **Kaymbu APP for parents**. This will be associated with the mobile number that I provide to the school.

___ I understand that Escuela Viva staff will be taking photographs and video of all of the children in order to document work and projects. These photos are for documentation purposes and will be used for educational purposes. These photographs will be displayed in the classroom, shared via Kaymbu and on the school's website. All Escuela Viva families will have access to these photographs.

Escuela Viva occasionally publishes pictures, video, and other media documenting classroom and school activities in order to promote the school's mission and philosophies to the outer community. The school uses both a Facebook page and the Escuela-Viva website for such publications. Please indicate below with your initials your family's preference regarding Escuela-Viva's publication of media that includes images of your child or children.

_____ Yes, Escuela Viva may use documentation (photo and/or video) of my child on their public Facebook page and/or website.

_____ No, Escuela Viva may not use documentation (photo and/or video) of my child on their public Facebook page and/or website.

___ I consent to my child participating in daily tooth brushing at school.

___ I acknowledge that I have reviewed a copy of Escuela Viva's current license certificate. I know it is posted in the lobby of the center.

*Please specify here if you do NOT want your child to participate in tooth brushing at school.
